Workshop Goals - Africa Focused

ENGAGE THE YOUTH

Provide opportunities for a young audience to connect with professors and practitioners, and engage with others.

INSPIRE ACTION

Focus on building action-oriented events that can initiate long-term changes.

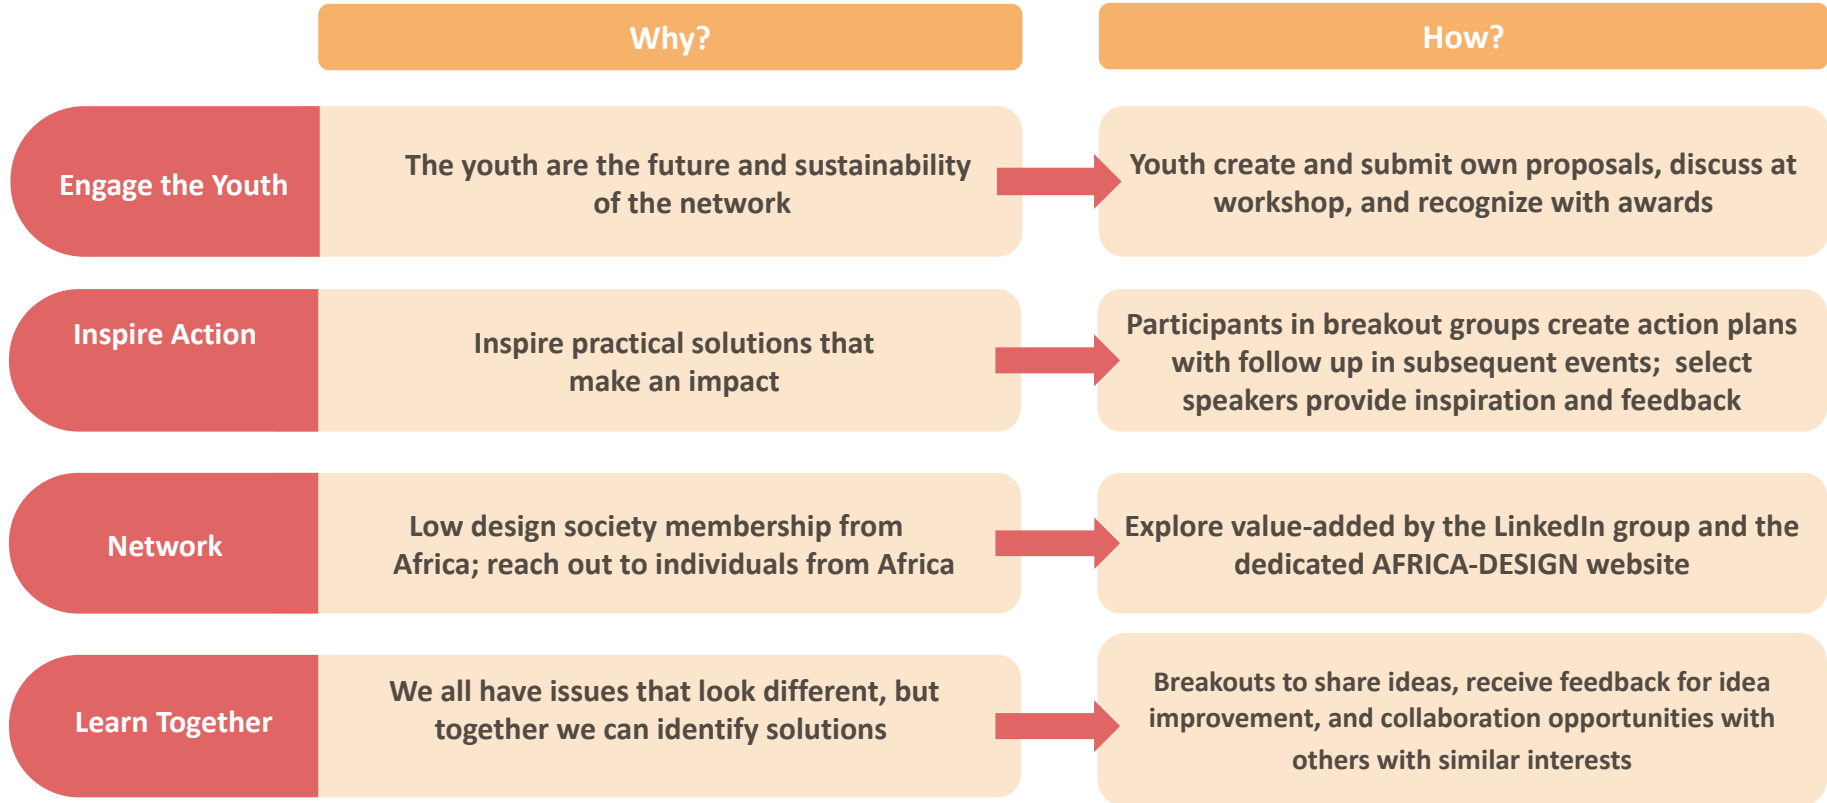

PROVIDE A NETWORKING PLATFORM

Promote the LinkedIn group and use DS links to connect for long-term collaboration opportunities.

LEARN TOGETHER

Opportunities for mutual learning from each other's work and past experiences.

Action Plan to Achieve Goals

Intended Outcomes

Grow our Network

Grow a network of participants that have common interests and are willing to work towards a common goal/project.

Follow Up for Continuity

Plan follow-up meetings/small scale events to take place after the workshop.

Support the Youth

Connecting with more experienced potential mentors, provide support to interested youth for networking and expert advice/opinions.

Collaboration

Expand collaboration efforts.

Long Term Efforts

Create educational courses/programmes that focus on sustainability, design, development, and innovation.
